

# K-6 Expansion Consideration

Lodi Unified School District  
Board of Education Meeting  
August 4, 2020  
Jeff Palmquist

# Executive Summary

- VRA offers a variety of instructional models that meet varying family needs.
- VRA has recently accepted many students from outside of the district bringing in additional revenue.
- VRA has received many inquiries from Lodi USD parents as well as out of district parents for elementary grades.
- A K-6 program can be implemented based on state standards and Lodi USD curriculum.
- Expansion requires additional FTE.
- Program can follow district Operational Levels per Board direction
  - All Distance Learning, Hybrid, Full In-Person.

# Program Components

Offering a blend of the traditional classroom setting and an individualized learning program.

- Adherence to grade level content standards
- Socialization experiences
- Schedule options
  - In-person
  - Independent
  - Hybrid
- Flexibility
- Instructional support for students and parents
- Digital learning formats

Families can benefit from modified hours and flexibility to allow efficient learning time to meet their lifestyle, while maintaining an individualized learning program for each child.
